Brian

This will serve as formal notice that I am resigning from the board of directors of WSD 246. My admiration for the incredible hard work and dedication you, the administrative staff and indeed all of the employees throughout the district display is unbounded and it seems at times hard to comprehend how such dedication be forthcoming. It is a testament to the district leadership.

Thank you so much for the help and friendship you have shown me the last many years, I will not soon forget this.
